FORMER PRO CRICKETER AND  
SUNCORP BUSINESS BANKER CHRIS  
SIMPSON TALKS FASHION, SPORT AND  
WEEKEND ADVENTURES.

**Describe your style?** I am pretty lucky, I don't get noticed when I am out with my girlfriend Kimberley Busteed, I could be wearing Speedos on my head.

**What's your biggest fashion faux pas?** I wore a shirt covered in autographs in our cricket season final, then somehow ended up with another game and it was my last shirt!

**What trend will you never try?** The rolled-up trouser - those kids try too hard to look preppy.

**Which celeb's style do you admire?** I went to see a surfing doco about Tom Carroll and Ross Clarke-Jones. They are 50 years old and still dressing like they are 15; I was blown away by their energy for life.

**What's the best thing about**

**being a former professional cricketer?** Professional sport is a very enjoyable and a privileged existence. I am only appreciating how lucky I was now.

**When it comes to your own style, do you prefer...**

**Dressing for style or dressing for comfort?** Dressing for comfort is stylish.

**When it comes to women, do you prefer...**

**High heels or sneakers?** Sneakers are for the gym and the Saturday morning latte scene!

**Where can we find you....**

**On a Saturday night?** Watching the Broncos or Lions.

**On your holidays?** I love Queensland and I love the water. We are very lucky to have many options that fit the bill like fishing.
