JIMMY ROD'S BARBER SHOP *grooming*

For the polished gentleman of yesteryear, the thought of leaving the house with messy hair and overgrown stubble was inconceivable. While primping habits have changed with time, Jimmy Rod's Barber Shop is an institution that maintains an interest in educating others about the art of traditional gentlemen's grooming. A modern man's barber shop, Jimmy Rod's is a den of classically trained barbers skilled in creating both traditional and contemporary hairstyles. Drop into the inner-city hub and you will be able to have your hair sculpted into a slick new look that is tailored to the individual. Perhaps you could trial the modern take on classic cuts

that have been revived by stylish folk around the streets? The team at Jimmy Rod's also employs the use of the lauded American Crew range of products, which can be purchased in store to maintain your new look at home. Keeping tradition alive, haircuts can be completed with a cut-throat neck shave and hot towel. You can even continue this experience at home, with cut-throat razors now available in store. At Christmas time you can also treat your friends and family with one of the Jimmy Rod's gift certificates available – grant them a new hairstyle, or the chance to enjoy a special shaving treatment. **8/300 Queen Street, City T. 3236 2895** www.jimmyrods.com.au

THE SEBEL SUITES BRISBANE *enjoy*

Celebrate Christmas Day lunch in style with family and friends at The Sebel Suites Brisbane. The inner-city location offers two special festive experiences: select from a lavish three-course menu in Palettes Restaurant at \$98 per person, or feast on a quintessentially Queensland Christmas buffet at \$150 per person. The family-friendly lunch allows children under four to dine for free, and Santa will be making a special visit with gifts for those under 12. Due to the lunch's popularity, reservations for the day's festivities are essential.

KIMMISON JEWELLERY *eternity*

Celebrate romance at yuletide by gifting your partner with an eternity ring. Symbolising endless love, the eternity ring was traditionally given on anniversaries, but is now becoming a distinguished celebration of devoted affection, represented by a continuous circle of diamonds or gemstones. Kimmison Jewellery is a custom-design boutique that specialises in unique pieces of fine jewellery. The Brisbane family business consists of a jeweller and gemmologist, who offer experienced and personalised service at the store, which is open from Tuesday through to Saturday.
